PHOTOBOOK

Welcome to the Yeek 26 Photobook! Here's a taste of a wonderful week-long adventure in faith and friendship, shared by young people and youth leaders from across the Scottish Episcopal Church.

Our theme this year was "On The Way"...

WORSHIP

Worship is at the heart of Yeek, where leaders and delegates from every diocese in the Scottish Episcopal Church explore different ways of praying and worshipping together.

Evening Activities

including the Ceilidh, the Murder Mystery and the challenges of the Adventurer's Way!

WEDNESDAY

WHOLE CAMP ACTIVITIES

This is a day for dressing up, taking on house group challenges together and questioning our panel of guests. This year we were joined by the Primus; Dr Victoria Turner, the SEI's Director of Studies; Revd Laura Symon, Assistant Curate at Inverness Cathedral, and Revd Aaron Moffat-Jackman, Rector from the Diocese of St Andrew's, Dunkeld and Dunblane and Convener of the Legacy of Slavery working group.

DELEGATES LEADING WORSHIP...

Each house group take turns in creating and leading worship for the whole camp. It is a joy and a privilege to see their faith and creativity in action.

Activities...

And more activities...

This ascent of Ben Vrackie featured every kind of weather that a Scottish summer's day can offer! We used group shelters for warmth on the wet and windy summit, and we all enjoyed a fish supper in Pitlochry at the end of the day. These delegates did brilliantly - for several of them, it was their first-ever hill walk!
