Allowances

As is customary, you are reminded of the provisions with regard to allowances of the General Synod Digest of Resolutions 6, paragraph 5:

In addition to the standard stipend and appropriate accommodation or arrangements for accommodation, every Diocese or congregation shall, in accordance with rules made by the Administration Board, pay to or on behalf of each of its stipendiary clergy the following expenses:

- (a) council tax
- (b) where necessary, expenses for the service of a *locum tenens* during illness and for not more than five Sundays in a year to enable the cleric to be absent on holiday;

- (c) telephone rental and calls incurred in performance of their clerical duties and cost of postage and stationery, plus such administrative expenses as may be approved by the Vestry;
- (d) reimbursement of travelling expenses including a mileage allowance as may be provided for in the said rules;
- (e) contributions to the Scottish Episcopal Church Pension Fund.

Heating, Lighting and Cleaning

It should be noted that full time stipendiary clergy are liable to tax on bills paid on their behalf for heating, lighting, cleaning, contents insurance and some repairs, etc. Clergy may however deduct the proportion of such expenses applicable to 'business purposes' from their taxable income on their annual tax return.

Travel Expenses

Lump sum Travel Allowances should not be paid to clergy. Vestries are encouraged to reimburse clergy timeously for all travel expenses incurred.

Mileage rates

It is recommended that clergy (and others employed by the Church) are paid mileage allowances in accordance with the HM Revenue and Customs approved mileage allowance payments rate. The rate, which is applicable to all engine sizes, is 45p per mile for the first 10,000 miles and 25p per mile thereafter.

The HM Revenue and Customs rates for use of bicycles and motorcycles for 'business purposes' are:

Bicycle	20p per mile
Motorcycle	24p per mile

Pension Fund

Following the Actuarial Valuation of the Fund as at 31 December 2020 the contribution rate remains unchanged at 32.2%. Contributions are payable by the congregation for all clergy who are members of the SEC Pension Fund. The amount is therefore £8,868 for the whole year, or £739 per month. *Standing orders for payment of pensions will be sent to you in December.*

Please note that this sum is payable for those in full-time stipendiary positions, including curates, irrespective of actual stipend paid, from the date of appointment until the date of leaving office. Specific provisions apply for those in part-time stipendiary positions. Contributions are calculated on 75%, 50% or 25% of Standard Stipend as shown in the table below.

		Pension Contribution	
	Stipend	Annual	Monthly
100%	£27,540	£8,868.00	£739.00
75%	£20,655	£6,651.00	£554.25
50%	£13,770	£4,434.00	£369.50
25%	£6,885	£2,217.00	£184.75

Please contact Daphne Audsley if you require any further information regarding current or prospective part-time appointments.

(Contributions by clergy to the Church's Additional Voluntary Contribution Scheme are dealt with individually as appropriate.)

Any queries about pension payments should be made to Daphne Audsley or Anne Brickell at this office.

Pensions Automatic Enrolment

You are reminded of the ongoing need to comply with the provisions of Automatic Enrolment of clergy and other employees into a pension scheme. Guidance was issued to Paying Officers and Vestry Treasurers in February 2016 and can be found on the SEC website:

Summary

The total estimated cost of stipend for 2022 is

Stipend	£27,540
Pension Contribution (32.2%)	£ 8,868
Total if no Employer's National Insurance Contributions due	£36,408
Employer's National Insurance Contributions (<i>see notes</i>)	£ 2,756
Total if Employer's National Insurance Contributions due	<u>£39,164</u>

Notes

1. The estimate of Employer's National Insurance contributions reflects the recently announced increase of 1.25% from April 2022 and is based on current thresholds which are subject to change.
2. For many congregations there will be no Employer's National Insurance contributions to pay due to the Employment Allowance. Congregations with their own PAYE reference are able to claim an Allowance of up to £4,000. For congregations where the only 'employee' is a stipendiary priest there will therefore be no Employer's National Insurance contributions to pay. Congregations participating in a diocesan payroll scheme may not be eligible for the Allowance. Dioceses will liaise with such congregations regarding any impact the Allowance has on the amount of Employer's National Insurance contributions they are required to pay.
